YOUR SECURITY IS OUR PRIORITY

NIGHTCLUBS PUBS & RESTAURANTS

NIGHTCLUBS, PUBS & RESTAURANTS.

We provide professional and experienced staff to ensure the safety of busy environments such as clubs, restaurants and pubs. We have 10 years experience of live music venues and clubs and can adapt to any kind of crowds.

CONSTRUCTION SITE SECURITY

CONSTRUCTION SITE SECURITY.

With theft and health and safety issues becoming a major concern for most construction companies, JK Security is fully qualified to provide a tailor made security service to give you the peace of mind you deserve

CCTV

CCTV

Working in accordance with the data protection act and security industry authority requirements, we provide your company with fully licenced and qualified security cctv operatives. Cctv is fast becoming a powerfull tool in the fight against crime and it is important that you have the personnel who can operate your system and co-ordinate your security personel "on the ground". All our cctv operators have extensive experience with most systems and will ensure your cctv is used to its maximum potential. All cctv operators must now posses an SIS licence, failure to do so will result in prosecution. By using JK Security operators you will have peace of mind that your system is in good hands and that footage obtained can be used as prosecuting evidence.

RETAIL SECURITY

RETAIL SECURITY

The current statistics on shoplifting are alarming.

To curb this unprecedented shoplifting threat, retail companies must react and adapt to the situation.

At JK Security, our staff are given a special training specific to your site thus providing the security and safety especially adapted to your needs.

CLOSE PROTECTION

CLOSE PROTECTION.

With 10 years experience in the business, we provide vip security and vip bodyguard services to individuals and companies that want peace of mind from their protection services.

Our staff are highly skilled and highly trained in security and close protection. We will do our utmost to make you feel safe at all times, your security is our priority and we will not stop until you are fully satisfied with us.

FESTIVALS & VENUE SECURITY

FESTIVALS & VENUE SECURITY.

JK Security is specialised in live music events and event management. We have 10 years experience in providing stewards, pit crew, bodyguards and site security to festivals and live music venues in London. Health & Safety standards associated to such events have been integrated to our thorough training courses in order to give you the service and the peace of mind you will need.

FIRE OFFICERS & REGISTERED FIRST AIDERS.

Re emphasising our importance on public safety during your chosen event. We can provide individuals experienced in dealing with fires and other emergencies. We have a whole host of staff fully trained in first aid, should a situation call for it.

FIRST AID.

Again, an absolute must for any security officer on duty. The ability to carry out first aid is of the greatest importance when the situation calls for it.

WHEEL CLAMPING.

Should a chosen job require you to enforce this aspect of the law, we have the tools to teach you what situation calls for this action. Knowledge and understanding is everything when it comes to this aspect of your role.
